Sir,

Subject - Grant of a duty allowance to the Superintendent Municipal Office, Mysore

In forwarding herewith a copy of the Municipal Council Resolution No 774 dated 27th April, 1944, along with a copy of the representation made by the official and my remarks thereon, regarding the above subject, I have the honour to state that on account of the increase in the volume of work in the Head office, there is a proposal to re-organise the establishment by providing extra hands and revising the scales of pay, and to appoint a Personal Assistant in place of the Superintendent

I wish to invite in this connection to the correspondence ending with your letter No L 8099/M1 11-43-67 dated 7-2-1944 requesting to submit fresh proposals regarding the appointment of the Personal Assistant A proposal is therefore given that in place of the Deputy Amildar, as originally proposed, an Amildar may be appointed The above proposal is referred to the Re-organisation Committee, and it may take sometime before any conclusion is arrived at

In the meanwhile, Mr M Subba Rao, the Superintendent of the Head Office presented a representation stating that with the increase of work involving heavy responsibilities and in view of the arduous nature of the work entailing upon him in supervising the work of all the sections a duty allowance of Rs 20/- per mensem may be given to him pending the Re-organisation Mr M Subba Rao was formerly the District Treasurer in the Revenue Department drawing the maximum pay of Rs 100/- with a duty allowance of Rs 20/- per mensem which allowance he drew for over 6½ years On his coming to the Municipality as Superintendent with effect from 21-10-1943 in grade Rs 90-5-120,

-16-

he is drawing only his pay and the duty allowance which he was getting in the Revenue Department has ceased as no such allowan is attached to the Superintendent's post

2 In consideration of the arduous nature of the duties attached to the Superintendent's post and in view of the impending Re-organisation of the Head Office Establishment already proposed, I recommended to the Council the grant of a duty allowance of Rs 20 to Mr M Subba Rao, Superintendent of the Head Office with effect from 21-10-1943 the date of his assuming charge, as the official has suffered in emoluments to the extent of Rs 20/- per mensem by coming to the Municipality and the case deserved sympathetic treatment in these hard days

A proposal was accordingly placed for the consideration of the Municipal Council In the first instance, the Re-organisation Committee, considered the proposal and recommended the grant of the allowance for the interim period The resolution of the Re-organisation Committee having come up before the Municipal Council meeting held on 27th April, 1944 the Council resolved as follows -

"The recommendation of the President to give a duty allowance of Rs 20/- p m to Mr M Subba Rao, Superintendent is sanctioned

As already stated in this office letter No M4-98/43-44 dated 6-1-1944 the Superintendent's post is proposed to be abolished in lieu of which the appointment of an Amildar is proposed as Personal Assistant to the President When this is sanctioned the present post of the Superintendent will automatically cease

In these circumstances, I request that as resolved by the Municipal Council, sanction of Government may kindly be obtained to the grant of a duty allowance of Rs 20/- p m to the present Superintendent Mr M Subba Rao, with effect from 21-10-1943 upto the sanction of the proposed Re-organisation of the Head Office, in view of the arduous nature of his duties and also of the fact that he was getting this allowance in his former post The extra cost in this behalf will be met out of the savings under the head 'A(1) Head Office (1) Salary of the President

29/4/44

Mysore City Municipal Office,
Dated 10th March 1944

Submitted to the President

The following representation is submitted for favour of kind and sympathetic consideration

In view of the considerable increase in the volume of work in all sections and particularly in the Council Section of the Head Office, proposals have been made for the strengthening of the Head Office Establishment and to have a Personal Assistant to the President in order to cope with the increased work and for the efficient management of the work in the Council section The present post of the Superintendent is proposed to be done away with, the post of an Officer of the grade and rank of an Amildar being created in its place and the Manager who will take the place of the present Head Clerk on Rs 60-4-80 is proposed to be fixed in grade Rs 60-5-100 with a Duty Allowance of Rs 20/- per mensem These proposals are still under con-sideration for the past one year and it may take a long time before they come to a finality

As at present, the Superintendent has to supervise the work of all the Sections in the office including the Council section, besides attending to tappals and see to their proper distribution and despatching work He is also to look after the Municipal Treasury where two to three thousand of rupees are collected daily, and the respective Khirdis of the Bill Collectors are to be signed The amount collected, has to be checked and kept in safe custody till it is remitted to the Bank, the next day In addition to this, he has to scrutinise the arrear lists of all the other sections and supervise the work in the Records Section also All these duties have devolved on the Superintendent a greater responsibility, involving heavy work He is also authorised to sign for President all routine papers and

endorsements made on cheques and bills sent to the Treasury or Bank for transfer credit or adjustments, as per Government Order No L 11379-9/M1 11-41-56 dated 30-5-1942 It is respectfully submitted that consistent with the heavy responsibilities a proper remuneration has to be paid I humbly submit that in view of the arduous nature of work entailing upon the Superintendent both in cash and despatch of office work as explained above, the proposed duty allowance of Rs 20/- for the would be Manager's post in connection with the Re-organisation may kindly be ordered to be paid to the Superintendent till the Re-organisation is sanctioned and brought into effect

In this connection, I beg to submit that prior to my coming to the Municipality, I was District Treasurer in the Revenue Department drawing the maximum pay of Rs 100/- from 21-12-1941 with a Duty Allowance of Rs 20/- per mensem I have drawn this duty allowance of Rs 20/- per mensem for over 6½ years On my appointment as Superintendent in the Municipal Office with effect from 21-10-1943 in grade Rs 90-5-120, I am allowed to draw Rs 100/- only which is my permanent pay of the previous appointment, without any increase in pay, and added to this, the Duty Allowance of Rs 20/- drawn by me for a period of over 6½ years, has also ceased The sudden stoppage of this allowance has been a great ~~hardship~~ handicap, and it has caused me much hardship to maintain my family, especially in these hard days when prices of foodstuffs are abnormally high and the cost of living in the city has gone up to an unlimited extremity Thus instead of getting any promotion by coming to the Municipali I have suffered in my emoluments to the extent of Rs 20/- p m This fact may also be kindly taken into account, while considering the case

In these circumstances, I humbly pray to take a merciful view of the representation made and crave that in view of the impending re-organisation of the Head Office

10 6

my case may be sympathetically considered, and that I be recommended to be given a duty allowance of Rs 20/- p-m- from the date of my coming to the Municipality i e , from 21-10-1943, which I was getting formerly

Sd M Subba Rao,
Superintendent

President's remarks

Mr M Subba Rao, Superintendent Head Office, came here in October 1943 He has been of great help to me in determining the arrears of work in the several sections under me and taking necessary prompt action thereon He has been mainly responsible for improving the work in my office He is very painstaking and earnest When he came here, he was getting Rs 100/- as pay and Rs 20/- D A His posting to the Municipality has deprived him of the Duty Allowance of Rs 20/- for no fault of his Thus instead of getting a promotion he has lost the Duty Allowance which he was drawing for over 7 years I feel that there is no justification for making him suffer in this way He may be given a Duty allowance of Rs 20/Rs as a special case I wish to quote the case of Mr Raghunatha Rao our Farm Manager who was kindly permitted by the Council to retain the allowance of Rs 20/- which he was getting when he came to the Municipality from the Horticultural Department The case of Mr Subba Rao is similar I, therefore, recommend for the kind consideration of the Council the hard case of this official and propose that he may be allowed to draw a Duty Allowance of Rs 20/- p m from the date of his report in this office

As regards the financial aspect of this case, I wish to point out that there will be no extra cost in the sense that if a Deputy Amildar or an Amildar had been

posted as already proposed by the Council in connection with the Re-organisation, the expenditure would have been much more

Sir,

Subject - Regarding the grant of a Duty allowance of Rs 20/- per mensem to the Superintendent of the City Municipal Office, Mysore

---

Adverting to your letter No L 12025/M1 dated the 30th May, 44 on the above subject, calling for a further report on the points raised therein, I have the honour to state that the grant of a duty allowance of Rs 20/- per mensem to the Superintendent is proposed mainly in consideration of the arduous nature of the work and the increased responsibility involved in the post in so far as he has to be in charge of the Municipal Treasury whereir nearly three to four thousands rupees are collected daily and remitted to the Bank the next day besides supervising the work of other sections and attending to the routine duties and in addition signing all routine papers 'for President' as already explained in my previous communication It has been an admitted fact that there is considerable increase in the volume of work which the present staff is not able to satisfactorily cope up with and hence the question of reorganising the establishment by providing extra hands and revising the scale and to have a Personal Assistant, has been under correspondence I wish to invite kind reference to the correspondence ending with your letter No L 8099/M1 11-43-67 dated 7-2-1944 from which it will be seen that in place of the Superintendent, it is proposed to have an Amildar to serve as Personal Assistant to the President and to ~~xx~~ closely supervise the Council work which is on the increase and the whole question is before the Reorganisation Committee As all the duties are just at present attended to by the Superintendent, besides Treasury charge involving extra work, the Committee decided upon, to recommend the grant of a duty allowance of Rs 20/- to the Superintendent for the interim

period till the re-organisation is brought into effect and the Council have approved of the proposal as the grant of the Duty allowance would not after all cost much in view of the impending Reorganisation

Apart from this, the present Superintendent Mr M Subba Rao, was in receipt of this duty allowance of Rs 20/- for nearly 6½ years in his former post, as the allowance was attached to the post itself in view of its heavy responsibility On his coming to the Municipality, he lost this allowance, since no such allowance is attached to the post now held by him Though he is put into the grade of Rs 90-5-120 with the ultimate prospect of rising upto Rs 120/- the official has sustained an immediate loss in emolument to the extent of Rs 20/- and he has to wait for four more years to reach the maximum With this loss of Rs 20/- per mensem, the official is hit hard in these days of war conditions on account of which the prices of food commodities have gone abnormally high This aspect of the question was also taken into account while considering the above proposal as it would be compensating for the loss and also for the increased work involved in the present post

Considering the several aspects of the question, the Council have sanctioned the grant of the Duty Allowance recommended I request you, therefore, to be so good as to obtain early orders of Government to sanction the resolution of the Municipal Council in this behalf
